Dear Sir or Madam:

Pursuant to 49 CFR Part 573, Starcraft RV (“Starcraft” or the “Company”) is submitting this report to NHTSA concerning a recall campaign, which is being voluntarily initiated. Specific information is as follows:

573.6(c)(2)

Affected vehicles are 2012 & 2013 AR-One Travel Trailers.

The affected vehicles were manufactured between February 20, 2012 and June 7, 2012.

The recall population was determined from the manufacturing records for the Company’s manufacturing plant in Topeka, Indiana, which produced the affected recreational vehicles.

573.6(c)(3)

A total of 76 vehicles are subject to this recall. Specific Vehicle Identification Numbers (VIN) are as follows:

Model year 2012 & 2013 vehicles with a starting VIN of 1SABS0AG0C2 and ending with 1SABS0AGXD2 .

573.6(c)(4)

Starcraft is recalling 100 percent of the affected vehicles identified in the scope.

573.6(c)(5)

Starcraft has decided that certain 2012 & 2013 AR-One Travel Trailers fail to conform to the requirements of Federal Motor Vehicle Safety Standard No. 110, "Tire selection and rims and motor home/recreation vehicle trailer load carrying capacity information for motor vehicles with a GVWR of 4,536 kilograms (10,000 pounds) or less. The size of the tire as indicated on the Federal ID Label is incorrectly identified as 13 inch when 14 inch tires were installed on the vehicle or the tire size is identified on the Federal ID label as 14 inch when 13 inch tires were installed on the vehicle. All other information on the Federal ID Label is stated correctly.

573.6(c)(6)

During the course of routine inspection, it was discovered that there was a typographical error on the Federal ID Label.

573.6(c)(8)

The remedy for the affected vehicles will involve removing and replacing the Federal ID Label and the Tire and Loading Information placard with corrected labels.

Copies of the repair instructions, dealer notification letters, and owner letters will be provided to the agency within 10 business days. Starcraft is contacting all dealers and retail owners of the affected vehicles. Upon notification Starcraft is prepared to begin dealer notification within 5 business days after approval, and to owner's ten business days subsequent to dealer notification.
