Dear Sir or Madam:

Pursuant to 49 CFR Part 573, Jayco, Inc. ("Jayco" or the "Company") is submitting this report to NHTSA concerning a recall campaign, which is being voluntarily initiated. Specific information is as follows:

573.6(c)(2)

Affected vehicles are 2013 Jayco Eagle Premier Fifth Wheels.

The affected vehicles were manufactured between June 14, 2012 and August 10, 2012.

The recall population was determined from the manufacturing records for the Company's manufacturing plant in Middlebury, Indiana, which produced the affected recreational vehicles.

573.6(c)(3)

A total of 40 vehicles are subject to this recall. Specific Vehicle Identification Numbers (VIN) are as follows:

Model year 2013 vehicles with a starting VIN of 1UJCJ0BV0D1LX0058 and ending with 1UJCJ0BVXD1LX0083.

573.6(c)(4)

Jayco is recalling 100 percent of the affected vehicles identified in the scope.

573.6(c)(5)

Jayco has determined that certain recreational vehicles fail to conform to the requirements of Federal Motor Vehicle Safety Standard No. 120, "Tire selection and rims and motor home/recreation vehicle trailer load carrying capacity information for motor vehicles with a GVWR of more than 4,536 kilograms (10,000 pounds). Due to an error when weighing the affected vehicles an incorrect cargo carrying capacity is printed on the RV Trailer Cargo Carrying Capacity Label.

573.6(c)(6)

During the course of routine inspection, it was discovered that there was an error when the affected vehicles were weighed resulting in an incorrect cargo carrying capacity to be printed on the RV Trailer Cargo Carrying Capacity label.

573.6(c)(8)

The remedy for the affected recreational vehicles is to replace the incorrect Cargo Carrying Capacity labels with new correct labels.

Copies of the repair instructions, dealer notification letters, and owner letters will be provided to the agency within 10 business days. Jayco is contacting all dealers and retail owners of the affected vehicles. Upon notification Jayco is prepared to begin dealer notification within 5 business days after approval, and to owner's ten business days subsequent to dealer notification.

Thank you for your assistance,
