RE: SIB 11 09 12 Recall Campaign 12V-475: Replace Engine Oil Pump

Affected vehicles are certain 2013 Model Year M5 (F10), M6 Coupe (F13), and M6 Convertible (F12) with the S63T engine produced from July 2012 to September 2012.

There are a limited numbers of vehicles involved and a limited supply of parts available.

Parts needed for repair:

Part Description	Part Number	Per Vehicle
Engine Oil Pump	11 41 7 845 513	1
ASA-Bolt M6x25	07 12 9 907 263	22
Gasket	11 13 7 843 149	1
Hex Screw with collar M10x33	33 32 6 768 354	8
Engine oil Filter kit	11 42 7 848 321	1

The parts below should be in your inventory and is not blocked from ordering:

Oil drain gasket	07 11 9 963 151	1
Engine Oil		

*To secure the blocked parts above, all requests will require your Center Code, VIN number and your contact information. Requests without any one of these pieces of information will not be filled. Please send an email to: directship@bmwna.com with **Engine Oil Pump in the subject line.**

Parts will be ordered for you and the last seven of the VIN will be used for the PO. Please make sure the parts are only used for the VIN listed in the PO.

As a reminder please do not attempt to place orders on your own as these orders will be cancelled automatically and also there is no need to contact the PCG or the RDCs regarding receipt of these parts.

Thank you for your ongoing support and cooperation.
