

**Honda Recall Voice Alert to Customer**

**NHTSA ID: 12V-486**

**Date: November 5, 2012**

Honda recently mailed to you an important safety recall notice regarding your 2002 thru 2006 CR-V. This notice explains that a problem potentially exists with your vehicle's power window master switch which may cause the switch to melt or burn, generating smoke and increasing the risk of fire. The notice also outlines what you need to do, including parking your vehicle outside until the recall repair has been performed and how to obtain the recall repair, free of charge, at any authorized Honda dealer. If you need help finding a Honda dealer, or do not receive the notice within five days, please call 1-800-999-1009, and select option 4. Thank you.
