 Subject 2012 Civic - Steering Column Recall Part Allocation

On November 20, 2012, American Honda will notify NHTSA of a Stop Sale order and Safety Recall for some 2012 Civic units. In support of this Safety Recall Campaign, on Monday November 19th, American Honda allocated the parts listed below. The allocation is to support repairs of affected new vehicles in dealer inventory. Dealers will receive parts on Tuesday November 20th via regular DSO truck delivery.

Campaign Type:	Safety Recall		
Service Bulletin:	12-080		
Affected Vehicles:	Certain 2012 Civics		
Customer Notification:	Scheduled for 12/4/12		
Parts Allocation Information			
Description	P/N	Qty Required	Order Method
STEERING COLUMN	53200-TR0-A02	1 per repair	Controlled Part Order
BREAK-AWAY BOLT	35102-TR0-003	2 per repair	Open Order
TORX BOLT	90134-S6A-A80	2 per repair	Open Order
Allocation Coverage:	Parts have been allocated to all dealers with affected units. Note that your dealership may receive parts for an affected vehicle that has not yet been delivered; please hold these parts until the affected unit arrives, and complete the recall repair before selling the vehicle.		
Parts Status:	Additional steering columns can be ordered for customer-owned vehicles through the controlled parts ordering system by providing a valid affected VIN.		

Refer to the eResponsibility Report to determine which units in your inventory are affected.

For inspection / repair instructions, please reference Service Bulletin 12-080, *Safety Recall: Steering Column*.
