Re: Wildfire Motors, NVS-0215kjs, 12V-031

Dear Ms. Schuler,

I am responding to Ms. Timian's letter of June 28, 2013, and attach Wildfire's reports for the third and fourth quarters of 2012. I apologize for the lateness of these reports. My client had furnished them to me in February, and they slipped from my todo list.

As to later reports, you should be aware that this matter is the subject of an action for judicial review and for enforcement in the United States District Court for the Southern District of Ohio, case nos. 2:12-cv-1140 and 2:13-cv-311, respectively. Wildfire filed a motion to stay the administrative order, but the Government has assured the court that no stay is necessary, because the government has not asked for an injunction.

If you have any questions, please to not hesitate to contact me.

Very truly yours,

David W. T. Carroll
