RE: NHTSA Campaign Number: 12V-348 (SMI ProLo Roof Hatch)

Through correspondence between Rusty Colinger (SMI) and Mike Sweitzer (Elkhart Coach), it has been determined that Elkhart Coach is not affected by the recall for the SMI ProLo roof hatch - 12V-348. The 40lb operating force regulation within Federal Motor Vehicle Safety Standard No. 217 is for the school bus application only, non school buses are limited to 60lbs operating force. Elkhart Coach does not manufacture school buses.

Thank you,
