National Highway Traffic Safety Administration  
1200 New Jersey Ave, SE  
Washington, DC 205090

Subject: December 31, 2012 Quarterly Report

1. NBC Truck Equipment Recall Notification No. 12V-420
2. Recall campaign originated on November 27, 2012. The campaign was completed on November 27, 2012 with the mailing of certified letters to customers.
3. Number of vehicles affected in campaign is (32).
4. Sure Power is the point of contact for repairs per the recall procedure. NBC Truck Equipment will not be contacted by the customer. Therefore, NBC Truck Equipment does not have the information on the number of vehicles inspected and/or repairs made and the number of vehicles inspected and repairs not made. This information will be part of Sure Power's Quarterly report.
5. Sure Power is the point of contact for repairs per the recall procedure. NBC Truck Equipment will not be contacted by the customer. Therefore, NBC Truck Equipment does not have the information on the number of vehicles that are unreachable due to export, theft, scrapping or failure to receive notifications. This information will be part of Sure Power's Quarterly report.

A handwritten signature in black ink, appearing to read "Phil Petit".

Phil Petit  
Engineering Manager  
NBC Truck Equipment
