Dear Mr. Snyder:

Your company, Wildfire Motors, Inc. (Wildfire), has not been filing the obligatory recalls completion quarterly reports on this recall campaign. We have repeatedly reminded you that the company is obligated to file these reports, and requested the company provide them. They have not been provided despite our reminders and requests.

Wildfire may consider this letter its final warning to submit the reports that are missing and to do so immediately. If your company continues to violate its obligations under federal law, we will have no choice but to consider appropriate enforcement action including, but not limited to, an action for injunctive relief and/or substantial civil penalties.

You are reminded, as you were in our January 2013 letter, that Wildfire must report on the numbers of vehicles repurchased since this recall is subject to an Administrative Order requiring their repurchase.

You may fax the report to Mrs. Kelly Schuler at 1-202-366-7882, or email her at Kelly.Schuler@dot.gov. If you have any questions concerning this matter, please contact Kelly at 1- 202-366-5227.

Sincerely,
