OWNER NOTIFICATION

NHTSA RECALL 12V-055

Dear Nissan Altima Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Nissan has decided that a defect which relates to motor vehicle safety exists in 2012 Model year Nissan Altima vehicles. Our records indicate that you own or lease the Nissan vehicle identified by the VIN on the inside of this notice.

Reason for Recall

Nissan recently discovered that one or both side curtain air bag inflators in your vehicle may have been manufactured out of specification by the supplier. An incorrect grade of propellant was used in the curtain inflator during production. This condition could affect side curtain air bag performance in your vehicle. The curtain air bag inflators may not deploy properly in the event of a side impact crash, which could increase the risk of injury.

What Nissan Will Do

Your Nissan dealer will inspect the inflators and, if needed, replace one or both side curtain airbag module assemblies free of charge. This free service should take about two hours to complete, but your Nissan dealer may require your vehicle for a longer period of time based upon their work schedule.

What You Should Do

Contact your Nissan dealer at your earliest convenience in order to arrange an appointment to have your vehicle repaired. Please bring this notice with you when you keep your service appointment. Instructions have been sent to your Nissan dealer.

If the dealer fails to, or is unable to make the necessary repairs free of charge, you may contact the National Consumer Affairs Department, Nissan North America, Inc. P.O. Box 685003, Franklin, TN 37068-5003. The toll free number is 1-800-NISSAN1 (1-800-647-7261). You may also submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

Federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

Thank you for your cooperation. We are indeed sorry for any inconvenience this may cause you.
