

Honda Recall Voice Alert to Customer

NHTSA ID: 12V-136

Date: Sept 25th, 2012

Honda recently mailed you an important safety recall notice regarding your 2002 thru 2003 Civic/2004 thru 2005 Pilot. This notice explains that a problem potentially exists with your vehicle's headlight switch that may cause your lowbeams to stop working, which may increase the risk of crash in low-light situations. The notice also outlines what you need to do, including how to obtain the recall inspection, and if necessary, repair, free of charge, at any authorized Honda dealer. If you need help finding a Honda dealer, or do not receive the notice within five days, please call 1-800-999-1009, and select option 4. Thank you.
