

VEHICLE DEFECT OWNER NOTIFICATION LETTER

Dear Starcraft Bus Owner:

This is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

REASON FOR THIS RECALL

Starcraft has determined that a defect which relates to motor vehicles safety exists in certain 2006-2010 Starcraft vehicles equipped with Braun wheelchair lift model Century-2 (NCL-2), Vista-2 NVL-2. These vehicles have a wheelchair lift in which over time and with frequent use, the roll stop latches on the outer barrier may become bent or misaligned. Should this occur, a wheelchair occupant may defeat or ride over the insufficiently latched roll stop. If this occurs when the lift platform is in an elevated position, the wheelchair's occupant could fall and sustain injury.

WHAT WE WILL DO

Starcraft Bus with The Braun Corporation, or an Authorized Dealer will replace the existing outer roll stop latch/latch bracket and clevis pin. Installation Kit 945-12E002.
