### SAFETY RECALL NOTICE

Dear Sir:

This notice is being sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

B & M Manufacturing has decided that a defect which relates to motor vehicle safety in certain Haul-Rite boat trailers using 14", 5-lug bolt, aluminum finish wheels, with 5 decorative triangular holes having black painted accents. Your 14" aluminum wheels may be subject to this recall.

You should examine your Haul-Rite boat trailer wheels, including any spare, to determine if they match the above description.

B & M Manufacturing is currently in the process of contacting all owners of trailers with wheels that may be in question. If particular owners cannot be reasonably ascertained by state records, notifications will be sent to those persons we identify as the most recent purchase.

If after inspection, you determine that the affected wheels are on your trailer, it is important that you contact a Carlisle Transportation Products Representative (CTP). B & M Mfg. Co. advises you not to move the trailer until you have contacted the Carlisle Transportation Products Representative (CTP) and they have advised you to have the wheels repaired, replaced or you have been advised it is safe. If the affected wheels are not on your trailer, you need do nothing. After contacting your dealer and the manufacturer customer service, if you are still not able to have the safety defect remedied without charge and within a reasonable time, you may wish to write the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, S.E., Washington, DC 20590 or call 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

Federal law requires any lessor who receives a notification of a determination of a safety-related defect or noncompliance pertaining to any leased motor vehicle shall send the notice to the lessee within 10 days.
