

**RE: BODY SERIAL
CHASSIS SERIAL**

Dear Owner:

This notice is being sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Our records indicate that you have purchased a vehicle with the serial number which appears above.

REASON FOR THIS RECALL

Winnebago Industries, Inc. has decided that a defect which relates to motor vehicle safety exists in a certain Winnebago motor home. This decision was based on information provided by Ricon that the defect involves the wheelchair lift equipped with a hand held pendant control where the cord is protected by a flexible, steel conduit (armored pendant cable) and an external power lug at the base of the hydraulic pump. In the event the lift is installed such that the armored pennant cable is not managed to be kept clear of the wheelchair lift and the protective, elastomeric cover is either omitted or improperly installed, the armored pendant cable may contact the power lug resulting in a high current short circuit and the possibility of fire.

WHAT WE WILL DO

Winnebago Industries, Inc. is assisting Ricon Corporation in locating the owners who have a defective lift installed. We are passing the Ricon Recall notice on to you so your lift can be corrected at no charge to you.
