

SAFETY RECALL NOTICE

Glaval Number # 12V-580 Canada #2012-412 Ricon Corporation, a Wabtec Company# 12E-038

Glaval Bus a Division of Forest River, Inc. 914 County Road 1 North, Elkhart, Indiana 46516

December 3, 2012

This notification is being sent to you in accordance with the requirements of the Motor Vehicle Safety Act.

Federal regulations require that any vehicle lessor receiving this recall notice MUST forward a copy of this notice to the lessee within ten (10) days.

Dear Glaval Bus Customer,

Glaval Bus in conjunction with Ricon Corporations, A Wabtec Company has decided that a defect which relates to motor vehicle safety exists on Glaval units manufactured between the dates of January 5, 2007 and November 30, 2012 that are equipped with the Ricon S&K Series Public Use Platform Lift.

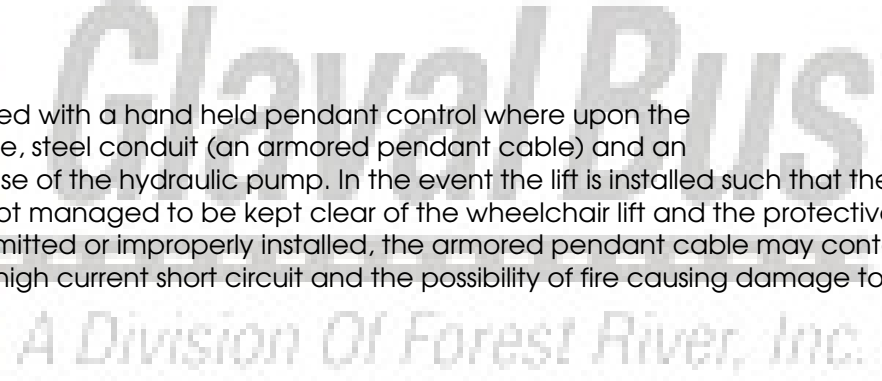

WHAT IS BEING RECALLED:

The Ricon S&K Series Public Use Platform Lifts installed by Glaval between January 5, 2007 through September 30, 2012 are subject to the campaign.

The platform lifts were built by Ricon, the lifts were manufactured between August 1, 2012 and September 29, 2012 and installed in Glaval units manufactured between January 5, 2007 and November 30, 2012.

WHY IS IT BEING RECALLED:

The affected lifts are equipped with a hand held pendant control where upon the cord is protected by a flexible, steel conduit (an armored pendant cable) and an external power lug at the base of the hydraulic pump. In the event the lift is installed such that the armored pendant cable is not managed to be kept clear of the wheelchair lift and the protective elastomeric cover is either omitted or improperly installed, the armored pendant cable may contact the power lug, resulting in a high current short circuit and the possibility of fire causing damage to property and/or injury.

WHAT YOU NEED TO DO:

Please contact your local Ricon Customer Service (800)-322-2884 or email admin12E038@wabtec.com and provide them with your lift serial number located on your recall card. They will then send you the part and the information to have the unit repaired. Once the repair has been made please fill out the return portion of your recall and mail.

WHAT RICON WILL DO

Once contacted Ricon will ship the needed part(s) along with the instructions directly to you.
