Re: Toyota Safety Recalls 12V-542 (C0V), Dealer and Owner Notification Schedules

To whom it may concern:

Please find attached the Dealer and Owner Notification Schedules for Safety Recall 12V-542 (C0V) on the following models:

2001 through 2004 Model Year Tacoma Vehicles
Originally sold in and/or currently registered in the Cold Climate States

The remedy was split into two phases due to parts availability. Currently, we have sufficient parts inventory to begin Phase 2 which would include 4WD and PreRunner vehicles. The attached schedule reflects the owner letter mailing schedule for Phase 2.

If you have any questions regarding this matter, please contact me at (310) 468-5316.

Sincerely,

Mark Kubota
Assistant Manager, Quality Compliance
