Update on Renotification –12V-582 – Fuel Cap Replacement

Dear Ms. Timian:

Following our correspondence dated December 19th 2014, please find an update on the renotification population and schedule.

Renotification population

BRP will renotify for the VIN from initial direct shipping population: new owners, same owners at the time of the direct shipping with new address and same owners with same address for MY08 and 09. BRP will also renotify the non repaired VIN for which we had a returned card or needed a fuel cap replacement at dealership.

Renotification Schedule:

BRP is starting the renotification process this week and for California, it will be completed as soon as we have our authorization number to use updated data from the State. Final documents will be filed in the portal.

If you have any questions regarding this letter, please contact the undersigned.

Sincerely yours,
