

QUARTERLY REPORT FOR THIRD QUARTER 2013
OF KOVATCH MOBILE EQUIPMENT CORP.
IN ACCORDANCE WITH SECTION 573.7

RE: Safety Recall L-01
2003-2012 KME AerialCat Vehicles Equipped with Electronic Controls
Manufactured between July 2003 and March 2012

- (1) The notification campaign identification number assigned to this matter by NHTSA is 12V027000.
- (2) The date notification began is April 9, 2012. A second notification was forwarded to non-responsive customers on July 9, 2012. The first and second notifications to customers have been completed.
- (3) The number of vehicles or items of equipment involved in the subject notification campaign is 121. The number originally reported is 122, but this included a vehicle that was exported to Saudi Arabia and is not subject to this recall campaign.
- (4) The total number of vehicles and equipment items which have been inspected and repaired to date is 121. All of the subject vehicles have been repaired regardless of whether they have manifested the defect.
- (5) One vehicle originally included has been determined to have been exported and is not included in this NHTSA campaign.
- (6) There are no vehicles or items of equipment repaired and/or returned by dealers, other retailers, and/or distributors to the manufacturer prior to their first sale to the public.
- (7) The subject recall does not involve replacement of tires.
