Potential Number of Units Affected: 4

Problem Description:

US Specs is recalling one 2002 Porsche Carrera, one 1997 BMW 750IL, and two 1986 BMW 635 CSI vehicles for failing to conform to Federal Motor Vehicle Safety Standard No. 111, "Rearview Mirrors." While performing conformity-related modifications for the US market, labels with an incorrect size font were applied to the passenger side mirror.

Consequence:

Drivers of these vehicles may not know the proximity of the objects in the passenger side mirror, increasing the risk of a crash.

Remedy:

US Specs will notify owners and correct the statement on the passenger mirror of the affected vehicles, free of charge. The recall is expected to begin in March 2013. Owners may contact US Specs at 1-443-502-2331.

Notes:

US Specs campaign recall number is MR101. Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs.
