Subject: Grid Heater Power Supply Cable/Possible Fire

Dear Mr. Coleman:

This letter serves to acknowledge Blue Bird Body Company's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

BLUE BIRD/ALL AMERICAN/2008-2011

Mfr's Report Date: April 8, 2013

NHTSA Campaign Number: 13V-126

Components:

ELECTRICAL SYSTEM
ELECTRICAL SYSTEM:WIRING

Potential Number of Units Affected: 17

Problem Description:

Blue Bird is recalling certain model year 2008 through 2011 All American rear engine, non-school, transit buses manufactured from August 9, 2007, through June 9, 2010, and powered by Cummins ISB07 engines. In the affected vehicles, the grid heater power cable may be improperly routed, which could result in contact with the chassis frame rail.

Consequence:

If the cable contacts the chassis frame rail it could potentially chafe against the frame thereby creating a direct short which could result in a fire.

Remedy:

Blue Bird will notify owners, and dealers will inspect the buses for proper positioning of the grid heater power cable. Any cables found contacting the chassis frame rail will have the grid heater cable repositioned to prevent further contact. Any damaged cables found will be replaced. The repairs will be made free of charge. Notification to owners is expected to begin on, or about, May 5, 2013. Owners may contact Blue Bird at 1-478-822-2242.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Kelly Schuler who may be reached by phone at (202) 366-5227, or by email at kelly.schuler@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

A handwritten signature in black ink, appearing to read "Jennifer Timian". The signature is fluid and cursive, with the first name being more prominent.
