Subject: Front Brake Torque Member may Fail

Dear Mr. Neff:

This letter serves to acknowledge Nissan North America, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:
INFINITI/JX/2013
NISSAN/PATHFINDER/2013

Mfr's Report Date: April 11, 2013

NHTSA Campaign Number: 13V-139

Components:
SERVICE BRAKES

Potential Number of Units Affected: 19,258

Problem Description:

Nissan is recalling certain model year 2013 Pathfinder and Infiniti JX vehicles manufactured December 3, 2012, through January 29, 2013. The front brake torque member was improperly cast resulting in structural weakness. This can lead to premature failure and cracking.

Consequence:

If the brake torque member fails, the brake caliper may move and contact the inside of the road wheel, resulting in reduced braking, increasing the risk of a crash.

Remedy:

Nissan will notify owners, and dealers will inspect the manufacturing date of the torque members and replace them, as necessary, free of charge. The recall is expected to begin in early May 2013. Owners may contact Nissan Customer Service at 1-800-647-7261.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Kelly Schuler who may be reached by phone at (202) 366-5227, or by email at kelly.schuler@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.
