Mfr's Report Date: April 19, 2013

NHTSA Campaign Number: 13V-156

Components:

EXTERIOR LIGHTING

Potential Number of Units Affected: 410

Problem Description:

Triple E Recreational Vehicles (Triple E) is recalling certain model year 2012-2013 Libero L24CB, Serenity S24CB, Regency GT (GT24MB, GT27S, GT28D, GT29T), and Unity (U24CB, U24IB, U24TB, U24MB). The light for the license plate does not adequately illuminate the license plate to have it be visible when it is dark out. Therefore, these vehicles fail to conform to the requirements of Federal Motor Vehicle Safety Standard No. 108, "Lamps, Reflective Devices, and Associated Equipment."

Consequence:

Without license plate illumination, the vehicle may be difficult to identify at night.

Remedy:

Triple E Recreational Vehicles will notify owners and dealers will install a new license plate lamp, free of charge. The recall is

expected to begin in early-May 2013. Owners may contact Triple E at 1-877-992-9906. Triple E's number for this campaign is CA#7719-1.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received Triple E's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Kelly Schuler who may be reached by phone at (202) 366-5227, or by email at kelly.schuler@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.
