Subject: Winch Bolts May Loosen

Dear Mr. Chard:

This letter serves to acknowledge Altec Industries Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

ALTEC/DIGGER DERRICK/2012-2013

Mfr's Report Date: August 14, 2013

NHTSA Campaign Number: 13V-390

Components:

EQUIPMENT

Potential Number of Units Affected: 1,743

Problem Description:

Altec is recalling certain model year 2012-2013 Digger Derrick models D2/3/4 and DC/DL/DM manufactured June 2012 through July 2013. The bolts that attach the winch motor to the winch may not be properly tightened and may become loose.

Consequence:

If the bolts come loose, the winch motor may detach causing the load to fall, which may result in personal injury.

Remedy:

Altec will notify owners and Altec service personnel will check and correct the torque of the winch motor bolts. The recall is expected to begin September 20, 2013. Owner's may contact Altec at 1-877-462-5832. Altec's recall number is CSN 586.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received Altec's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Kelly Schuler who may be reached by phone at (202) 366-5227, or by email at kelly.schuler@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

A handwritten signature in black ink, appearing to read "Jennifer Timian".
