SPARTAN/K3/2010-2012  
SPARTAN/MM/2009-2012

**Mfr's Report Date:** August 29, 2013

**NHTSA Campaign Number:** 13V-392

**Components:**

SERVICE BRAKES, AIR:ANTILOCK

**Potential Number of Units Affected:** 113

**Problem Description:**

Spartan Motor Chassis, Inc. (Spartan) is recalling certain model year 2009-2012 MM, 2011-2014 K2, and 2010-2012 K3 motor home chassis. Due to contact with the steering relay rod, the ABS modulator valve may fracture resulting in air not being applied to the affected wheel end.

**Consequence:**

This may increase stopping distance of the vehicle or cause the vehicle to pull to one side. Either condition increases the risk of a crash.

**Remedy:**

Spartan will notify owners and dealers will reorient the ABS modulator valve and install spacers for additional clearance, free of charge. The recall is expected to begin in September 2013. Owners may contact Spartan at 1-517-543-6400.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

Please be reminded of the following requirements:

As required in Part 573.6(c)(6), in the case of a defect, please provide a chronology of all principal events that were the basis for the determination that the defect related to motor vehicle safety, including a summary of all warranty claims, field or service reports, and other information, with their dates of receipt. Please provide this information as soon as possible.

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
