Subject: Outriggers May Extend into Traffic

Dear Lelani Torres-Herrera:

This letter serves to acknowledge Genie Industries, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:
GENIE/TZ-34/2003-2012

Mfr's Report Date: September 4, 2013

NHTSA Campaign Number: 13V-420

Components:
EQUIPMENT

Potential Number of Units Affected: 3,889

Problem Description:

Genie Industries, Inc. (Genie) is recalling certain model year 2003-2012 TZ-34 aerial work platform trailers manufactured October 1, 2002, through July 12, 2012. In the affected trailers, the outrigger assembly may not remain stowed upright while the trailer is being transported.

Consequence:

If the outriggers do not remain stowed, the outriggers can strike objects in the trailers path, increasing the risk of a crash.

Remedy:

Genie will notify owners and dealers install a new outrigger control manifold. The recall is expected to begin during November 2013. Owners may contact the Terex AWP at 1-800-536-1800. Genie's recall number is SN 130009.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded of the following requirements:

We have received Genie's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

On August 20, 2013, NHTSA announced new changes to the requirements governing safety recalls. Some of these requirements take effect as early as October 2013. Please ensure your company will be in compliance with each requirement on, or before, its respective effective date. For a summary of the requirements and their effective dates please click on the "New!" link at <http://www.safercar.gov/Vehicle+Manufacturers>.

Your contact for this recall will be Joshua Neff who may be reached by phone at 202-366-0698, or by email at joshua.neff@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,
