Dear Sir or Madam:

Pursuant to 49 CFR Part 573, Starcraft RV (“Starcraft” or the “Company”) is submitting this report to NHTSA concerning a recall campaign, which is being voluntarily initiated. Specific information is as follows:

573.6(c)(2)

Affected vehicles are 2013 Autumn Ridge and Travel Star Travel Trailers.

The affected vehicles were manufactured between January 24, 2013 and February 27, 2013.

The recall population was determined from the manufacturing records for the Company’s manufacturing plant in Topeka, Indiana, which produced the affected recreational vehicles.

The load center involved in this recall is obtained from:

Progressive Dynamics  
507 Industrial Road  
Marshall, MI 49068  
269.781.4241

Its country of origin is the United States.

573.6(c)(3)

A total of 11 vehicles are subject to this recall. Specific Vehicle Identification Numbers (VIN) are as follows:

Model year 2013 vehicles with a starting VIN of 1SABS0BR1D2J25060 and ending with 1SABS0BU9D2845159.

573.6(c)(4)

Starcraft is recalling 100 percent of the affected vehicles identified in the scope.

573.6(c)(5)

Starcraft has decided, based upon information provided to us by Progressive Dynamics, the manufacturer of the load center, that certain vehicles have a load center installed in them which may be improperly assembled and could experience a short circuit. If this condition is not addressed, it may result in a fire, injury or death.

573.6(c)(6)

The problem with the load center was identified by Progressive Dynamics and reported to us.

573.6(c)(8)

The remedy for the affected vehicles is to inspect the load center and make the appropriate modification to the load center to eliminate the possibility of an electrical short circuit.

Copies of the repair instructions, dealer notification letters, and owner letters will be provided to the agency within 10 business days. Starcraft is contacting all dealers and retail owners of the affected vehicles. Upon notification Starcraft is prepared to begin dealer notification within 5 business days after approval, and to owner's ten business days subsequent to dealer notification.

Thank you for your assistance,
