Re: Crossroads RV Inc.
Defect and Non-Compliance Report Update
Recall 13V-372

Dear Ms. Lewis:

Crossroads RV (Crossroads) has modified the remedy for recall 13V-372. Following are the details of the update to recall 13V-372.

- A. Remedying of Defect. The remedy is to install a cover over the switches to prevent accidental activation. Crossroads will supply the cover to the owners with an instruction sheet for installation. The customer also has the alternative of taking their vehicle to a Crossroads dealer to have the cover installed. Crossroads has agreed to remedy the defect without charge to the owners.

Enclosed with this update are the updated Owner's letter and instruction sheet for approval.

Please contact me with any questions regarding this recall or update.

Sincerely,

A handwritten signature in blue ink, appearing to read "DM Mihalick", written in a cursive style.
