

Honda Recall Voice Alert to Customer

NHTSA ID: 13V-016

Date: 2/21/2013

Honda recently mailed you an important safety recall notice regarding your 2011-13 Odyssey / 2009-13 Pilot. This notice explains that a problem potentially exists with your vehicle's driver's airbag assembly that may cause the airbag to deploy improperly, increasing the risk of occupant injury in the event of a crash. The notice also outlines what you need to do, including how to obtain the recall inspection, and if necessary, repair, free of charge, at any authorized Honda dealer. If you need help finding a Honda dealer, or do not receive the notice within five days, please call 1-800-999-1009, and select option 4. Thank you.
