Subject Stop Sale/Non-Compliance Recall: 2012-13 Fit Sport VSA System

DATE: April 24, 2013

TO: All Honda Sales, Service & Parts Managers and Personnel
FROM: American Honda Parts, Service & Technical Division, Campaign Administration
RE: Stop Sale/Non-Compliance Recall: 2012-13 Fit Sport VSA System

On April 23, 2013, American Honda notified NHTSA of a **Stop Sale** order and **Safety Recall** for some 2012-13 Fit Sport units. Any new or used units in dealer stock must be repaired per S/B 13-040: *Non-Compliance Recall: VSA System Software Update* prior to sale. **Refer to VIN Inquiry to determine which units in your inventory are affected.**

Note: Affected vehicles should not be sold until the repair has been completed. Should an unrepaired vehicle cause any injury or damage because of the required recall repair, the dealership will be solely responsible to the damaged party, and will be required to defend and indemnify American Honda for any resulting claims.

Basic Problem

During NHTSA validation testing, the 2012-13 Fit Sport did not fully comply with FMVSS 126.

The Repair

All affected vehicles require updated VSA software with the system being reprogrammed using the MVCI, followed by VSA sensor neutral position memorization with the HDS.

Service Bulletin

In support of this recall, S/B 13-040 is available on ISIS as of April 24, 2013, and it includes software, repair, and warranty information related to the campaign. Make sure that all steps in the bulletin are followed to ensure a successful update.

Software Information

Software to perform this recall is available in HDS software version 3.009.011, which contains MVCI application version 3.01.27/database update 16 April, 2013. Make sure that all software is up to date prior to beginning any repairs.

Warranty and Repair Information

Warranty and repair information are detailed in S/B 13-040, which was posted on ISIS April 24, 2013.

Customer Notification

American Honda Motor Co. expects to begin customer notification in mid May 2013.

As always, please be sure to check in VIN status to determine if a particular vehicle is eligible for this recall.
