RE: <b>Recall Campaign- Second Row Seat Belt Anchor Fittings Torque. X166 (GL) Model Year 2013</b>	DATE: April 30, 2013

## IMPORTANT RECALL INFORMATION

On Friday, April 26, 2013 the National Highway Traffic Safety Administration (NHTSA) was notified that Mercedes-Benz USA, LLC (MBUSA) will conduct a voluntary Recall Campaign on approximately 272 Model Year 2013 GL-Class (166) vehicles with regard to the second row seat belt anchor fittings torque. This notification will be posted on the NHTSA website and may generate some customer questions.

### Background

DAG has determined that due to a change in the assembly process, one of the seat belt anchor fittings (left or right) of the second seat row in a limited number of vehicles may not have been tightened with the appropriate torque. If the tightening torque of the bolt securing the seat belt anchor fitting is too low, further loosening of the bolt due to vibrations experienced while driving cannot be excluded. If this occurs, the bolt might not withstand the required loads under all circumstances, resulting in an increased risk of injury for the occupant in case of a crash.

MBUSA therefore has initiated a voluntary recall of all potentially affected vehicles described above. The recall will be conducted to torque the second row seat belt fittings in the subject vehicles.

**Given this notice, it is a violation of Federal law for a dealer to deliver any new or used Model Year 2013 GL-Class (166) produced between May 15, 2012 and October 4, 2012 covered by this notification in dealer inventory, for sale or lease, until the vehicle has been repaired. See attached VIN file and contact your AOM if your dealership has any affected vehicles.**

**Other than verifying if any of the vehicles are in your inventory, no action is required at this time until this Recall Campaign is launched in late May, 2013. This Recall Campaign affects approximately 272 vehicles in the U.S.**

Owner notifications will be sent approximately one week after recall launch.

While we regret any inconvenience this may cause, MBUSA is determined to maintain a high level of vehicle quality and customer satisfaction.

Please refer all customer inquiries to the Customer Assistance Center at 1-800-FOR-MERCEdes (1-800-367-6372).
