DESCRIPTION OF PROBLEM																	
Newmar Corporation is recalling certain model year 2013-2014 Newmar Product. If the awning installation sequence was not completely followed, the awning motor may unknowingly become damaged. If motor damage occurs, it is possible that the awning can unfurled unexpectedly, either while the motor home is at rest or while in transit, increasing the risk for personal injury or vehicle crash.																	
RECOMMENDED SOLUTION																	
Owners will be notified and Dometic will assist with having the affected motors replaced with a design that is not subject to an out-of-sequence installation error. Owners may contact Newmar at 800-731-8300 or Dometic at 888-447-0003 for more information.
