Re: SIB 13 03 13 – Replace the Fuel Filter Heater

The above Recall Service Bulletin has just been released.

There are 1,500 vehicles in the recall and enough inventory for the VIN's involved. Please do not order for stock.

Please read the SIB Parts section thoroughly, the hose clamp part number 16 12 1 180 240 rounds to a box of ten and only two per vehicle are required.

Please only order the parts if you have a scheduled appointment as these parts are non-returnable.

Thank you,
