ATTENTION: KIA DEALER PRINCIPALS

Kia Motors America, Inc. pursuant to the National Traffic and Motor Vehicle Safety Act is conducting a Voluntary Safety Recall Campaign to inspect and repair, or replace if necessary, the front lower control arms on the 2006-2012 MY Sedona vehicles.

The Technical Service Bulletin (TSB) that provides Vehicle Repair Procedures, Affected VIN Production Range, and Warranty Claim Information will be posted on the Kia Global Information System (KGIS) at www.kiatechinfo.com on **December 16, 2013**.

Your Service Manager was sent a copy of the owner notification letter, a Q&A guide for recall questions, both of which describe the issue, and information on how to access the list of recalled Kia 2006-2012 MY Sedona vehicle owners on WEBDCS.

Please make certain the appropriate personnel in your dealership are familiar with the details of this campaign to ensure proper responses to customer inquiries and request to have the campaign performed on their vehicles.

NHTSA ADVISORY: It is a violation of Federal law for a dealer to deliver a new motor vehicle covered by this notification under a sale or lease until the defect is remedied.

LEGAL LIABILITY NOTICE: Pursuant to the terms of the Dealer Sales and Service Agreement and the Gramm-Leach-Bliley federal consumer privacy act, you are required to keep confidential any and all information and documents provided to you by Kia Motors America, Inc. or generated by you in the conduct of carrying out work under that Agreement regarding Kia vehicle purchasers and owners, including but not limited to warranty claim information. Kia dealers may use such owner information for the sole purpose of conducting and performing this safety recall campaign, and for no other purpose.

We appreciate your attention and cooperation in completing this campaign. If you have any questions, please contact your Kia District Parts/Service Manager.

Sincerely,

Neem Van der Reest
Quality Analysis Manager
