Dear Ms. Glass,

Thank you for your follow up e-mail and my apologies for the delayed response.

In reference to the 573 letter submitted by General Motors on December 31, 2012, I can confirm that Nexteer supplies the referenced park cable only to General Motors.

Please let me know if I may be of any further assistance.

Mr. Canales,

I recently joined the Recall Management Division in NHTSA's Office of Defects Investigation, and I have reviewed the 573 Recall letter that you submitted on December 31, 2012. In the letter, you state that the fractured park cable occurred on GM vehicles. Was this part sold to any other manufacturer or company? Please provide a list with contact information.

Thank you,

Cynthia Glass
