Subject: RE: Subaru Part 573 Defect Information Report – Remote Engine Starter (RES) Accessory on certain Subaru Legacy, Outback, Impreza, and XV Crosstrek vehicles

Hello,

Per the requirements of 573.6(c)(2)(iv), contact information, address and country of origin (if known) for the Audiovox remote engine starter is provided below:

Michael Schroeder
Vice President, OEM
Audiovox Automotive Group
525 Minnesota Drive
Troy, MI 48083
Office 1-248-307-3883
Cell 1-586-530-1878
Mschroeder@codesystems.com

Thomas C. Malone – President
Audiovox Electronics Corporation
180 Marcus Boulevard
Hauppauge, NY 11788
TMalone@audiovox.com

The C of O on record is China, however, Subaru believes the circuit boards are assembled in Taiwan.

Please let us know if you need anything else.

Thank you,
John Frooshani

Subject: Subaru Part 573 Defect Information Report – Remote Engine Starter (RES) Accessory on certain Subaru Legacy, Outback, Impreza, and XV Crosstrek vehicles

Hello,

Pursuant to Part 573, "Defect and Noncompliance Responsibility and Reports," Subaru is enclosing the following DIR report:

- Remote Engine Starter (RES) Accessory on certain Subaru Legacy, Outback, Impreza, and XV Crosstrek vehicles

Please feel free contact me with any questions. JFYI, we will also be mailing a hardcopy to the attention of Ms. Nancy Lummen Lewis, NHTSA's Associate Administrator for Enforcement.

Thank you,
John Frooshani
