Re: Toyota Safety Recalls 13V-235 (D0H/DLD)

Dear Ms. Timian:

This concerns the Owner Notification Schedules for Safety Recall 13V-235 (D0H/DLD) on the following models:

- Certain 2010 Model Year Toyota Prius vehicles
- Certain 2010 Model Year Lexus HS 250h vehicles.

Toyota is currently developing the remedy. The remedy is a newly developed repair procedure and may require creation of additional training materials to ensure the repair is performed properly. At this point in time, Toyota has not decided whether an Interim or Remedy notice will be sent out. In any case, either an Interim or Remedy notice mailing will be completed by August 5, 2013. As we move closer toward completion of the remedy preparations, we will send you the owner notification schedule then.

If you have any questions regarding this matter, please contact me at (310) 468-3316.

Sincerely,

Tom Trisdale  
National Manager, Quality Compliance
