#### **NHTSA Recall Campaign #13V-028**

Dear Entegra Coach Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Entegra Coach has decided that a defect, which relates to motor vehicle safety, exists in specific 2011, 2012 & 2013 Aspire and Anthem Class A Motorhomes and 2012 & 2013 Cornerstone Class A Motorhomes.

The affected units were manufactured between March 14, 2011 and September 25, 2012.

Entegra Coach has determined that certain vehicles have a wiper link installed which is shorter than required for proper function of the wiper system. It is possible that the short link may cause the passenger side wiper to stop wiping the windshield while the wipers are in use. This would interfere with a driver's ability to clearly see the road and could increase the risk of a crash or injury.

The remedy for the affected vehicles is to replace the link with one that is the proper length. This repair will be done at no charge to you. The repair will take approximately 15 minutes to

complete. If you have had this repair performed before you received this letter, you may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy of the problem associated with this recall. For more information or if you are unable to have this repair performed, please contact Entegra Coach Customer Service at 800-945-4787 for assistance.

If your Entegra Coach dealer is unable to perform the recall within a reasonable time frame, please contact Entegra Coach Customer Service for further instructions. If you choose to take your vehicle to a non-Entegra Coach dealer, they must contact Entegra Coach prior to making the recall repairs for proper authorization and instruction. If you have sold or traded your vehicle, or for any reason cannot have this recall service performed, please let us know by completing the information on the enclosed post card and returning it to us promptly. Federal regulations require that any vehicle lessor receiving this notice must forward a copy of this notice to the lessee within **ten days**.

If, however, you take your recreational vehicle to your dealer on the agreed service date and the dealer does not remedy this condition on that date or within three (3) days, please contact our Customer Service department at 800-945-4787. After contacting your Entegra Coach dealer and Entegra Coach Customer Service and you are not able to have the safety defect remedied without charge and/or within a reasonable time, you may wish to submit a written complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

We apologize for this inconvenience. However, we have taken this action in the interest of your safety and continued satisfaction with your Entegra Coach recreational vehicle.

Sincerely,

Entegra Coach
