

SAFETY RECALL NOTICE

April 2013

<CustomerName>
<CustomerAddress>

Dear <CustomerName>:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

The Pontiac Vibe was manufactured by New United Motor Manufacturing, Inc. (NUMMI), a joint venture between Toyota and GM.

Toyota has decided that a defect, which relates to motor vehicle safety, exists in certain <Year> model year <VINDivisionName> <Vehicle_Name> vehicles. As a result, GM is conducting a safety recall. We apologize for this inconvenience. However, we are concerned about your safety and continued satisfaction with our products.

IMPORTANT

Your <Year> model year <VINDivisionName> <Vehicle_Name>, VIN <VIN>, is involved in safety recall <Recall>.

Why is your vehicle being recalled?

The Electronic Control Module (ECM) for the Supplemental Restraint System (SRS) in your vehicle could have been manufactured with integrated circuits (ICs) that are susceptible to short circuiting when exposed to certain electrical noise from various vehicle electrical components. If internal short circuiting occurs, the front airbag(s) and/or seat belt pretensioners could inadvertently deploy. An airbag that deploys inadvertently can, under some circumstances, increase the risk of injury and the possibility of a crash.

What will we do?

PARTS ARE NOT CURRENTLY AVAILABLE, but when parts are available, your <DIV_DLR> dealer will install a sub-wire harness (filter) to minimize electrical noise from the other vehicle electrical components. This service will be performed for you at **no charge**.

We are working as quickly as possible to correct this condition. When parts are available, we will send you another letter asking you to take your vehicle to your <DIV_DLR> dealer to have your vehicle serviced. If you have already paid for repairs for this condition, a reimbursement request form will be sent to you with the letter.

Do you have questions?

If you have questions or concerns that your dealer is unable to resolve, please contact the <VINDivisionName> Customer Assistance Center at <DivCACPhone>.

Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.
