OWNER NOTIFICATION

NHTSA RECALL 13V-158

Dear Nissan Altima sedan owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Nissan has decided that a defect which relates to motor vehicle safety exists in certain 2013 Model Year Altima sedan vehicles. Our records indicate that you own or lease the Nissan vehicle identified by the VIN on the inside of this notice.

Reason for Recall

The spare tire in your vehicle may have been under- or over-inflated during manufacture. In rare instances, the over-inflation may have been significant, and, combined with increased temperature in the trunk, may cause the tire to lose structural integrity. The tire may rupture without warning, which may result in injury. Additionally, if a severely under- or over-inflated spare tire is installed, it can increase a risk of a crash.

What Nissan Will Do

Your Nissan dealer will check, and if necessary, adjust the spare tire inflation pressure to the proper level. This service, free for parts and labor, should take less than an hour to complete, but your dealer may require your vehicle for a longer period of time based upon their work schedule.

What You Should Do

Contact your Nissan dealer as soon as possible in order to arrange an appointment to have your vehicle repaired. **Note: We recommend that you refrain from placing anything in your trunk or putting the temporary spare into service until you have had your vehicle inspected.** Please bring this notice with you when you keep your service appointment.

If the dealer fails to, or is unable to make the necessary repairs free of charge, you may contact the National Consumer Affairs Department, Nissan North America, Inc. P.O. Box 685003, Franklin, TN 37068-5003. The toll free number is 1-800-NISSAN1 (1-800-647-7261). You may also submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

Federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

Thank you for your cooperation. We appreciate your Nissan ownership and apologize for any inconvenience this may cause you.
