URGENT SAFETY RECALL

This is an important Safety Recall.
If necessary, the remedy will be
performed at **NO CHARGE** to you.

**Genuine Toyota Auxiliary Light Kit Accessory
Designed to fit 2007 to 2013 Model Year FJ Cruiser Vehicles
SAFETY RECALL NOTICE**

[VIN]

Dear Toyota Customer:

This notice is being sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Toyota has decided that 2007 to 2013 Model Year FJ Cruiser vehicles equipped with a Genuine Toyota Auxiliary Light Kit Accessory fail to conform to Federal Motor Vehicle Safety Standard No. 108, Lamps, reflective devices, and associated equipment. We are sending you this notice in the event your vehicle is equipped with this accessory.

What is the condition?

The subject Genuine Toyota Auxiliary Light Kit is specifically designed for 2007 to 2013 Model Year FJ Cruiser vehicles. The Auxiliary Light Kit consists of two 6-inch 55 Watt lights which are mounted on the front bumper inboard of the headlamp assemblies. The Auxiliary Light Kit can be illuminated when the driver activates the vehicle's high beam lights. The illumination of the Auxiliary Light Kit with the vehicle's high beams causes the vehicle to exceed one of the allowable lighting thresholds specified in FMVSS 108. Light intensities above the maximum allowable limit could cause increased glare for oncoming traffic and increase the risk of a crash.

What should you do?

You can inspect your vehicle referencing the images below to determine if it is equipped with an *optional* Genuine Toyota Auxiliary Light Kit accessory.

If your vehicle is equipped with a Genuine Toyota Auxiliary Light Kit shown above, please contact your local authorized Toyota dealer to make an appointment to have the remedy performed at **no charge** to you.

If your vehicle does **NOT** have the optional Genuine Toyota Auxiliary Light Kit, it is **NOT** involved in this Safety Recall and no additional action is necessary.

If you are not comfortable doing this inspection yourself, any authorized Toyota dealer will perform the inspection at **no charge**.

You do not need an owner letter to have this recall completed; however, to assist the dealer in confirming vehicle eligibility, we request that you present this notice at the time of your service appointment.

If you would like to update your vehicle ownership or contact information, you may do so by registering at www.toyota.com/ownersupdate. You will need your full 17-digit Vehicle Identification Number (VIN) to input the new information.
