Re: Safety Notice Pertaining to All Kuryakyn Handlebar Risers/Setbacks for GL1800 (Kuryakyn part number 7437)

NHTSA Campaign No.: 13E-037

Dear Kuryakyn Purchaser,

This recall notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Kuryakyn Holdings, LLC (“Kuryakyn”) has decided that a defect which relates to motor vehicle safety exists with Kuryakyn Handlebar Risers/Setbacks for GL1800 (Kuryakyn part number 7437). These handlebar risers/setbacks, sold between April 3, 2013 and July 1, 2013, may have screws that fracture suddenly after installation. If the screws fracture, it could potentially cause the OEM handlebar to separate from the steering mount increasing the risk of a crash.

This photo below is of the P/N 7437 kit:

This photo below is of the affected screws (there are a total of eight screws affected, four on the left side and four on the right side):

454 COUNTY ROAD V V, SOMERSET, WI 54025
A MAG COMPANY, INC.

Please immediately discontinue use of your Handlebar Riser/Setback for GL1800. You will receive another letter from us in the near future that will notify you of the corrective action to take to have the screws replaced for your Handlebar Riser/Setback for GL1800.

Please contact Kuryakyn customer service at 1-866-296-4728 or send an e-mail to riserrecall@kuryakyn.com to discuss any questions you might have. If you purchased this product for a friend or family member who does not live with you, or if you have sold or gave the product to someone, please advise us of their name and address immediately so that we can send them this notice. If you have disposed of the product (thrown it out) please advise us of this information as soon as possible so that we may correct our records. If you know of anyone who bought this product, or may be using them, please let us know their name and address as well so that we can send this notice to them. Please feel free to share this notice with all of your riding friends or motorcycle club as well. Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

If you have had your handlebar risers/setbacks repaired for this issue prior to receipt of this notice, you may be entitled to reimbursement if you incurred any out of pocket cost due to this matter. For further information, please contact us at the number listed above.

We regret any inconvenience that this action may cause you. However, we are concerned about your safety. If your dealer fails or is unable to remedy this defect by providing you with a recall service kit and installation at no charge and within a reasonable time, you may submit a written complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE, Washington, DC 20590, or call 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>. Thank you for your attention to this important matter.
