**URGENT SAFETY RECALL**  
This is an important Safety Recall.  
The remedy will be performed  
at **NO CHARGE** to you.

**2005 through 2011 Model Year Tacoma Access Cab Vehicles  
Driver and Front Passenger Seat Belt Assemblies  
IMPORTANT SAFETY RECALL**

This notice applies to your vehicle: VIN ABCDEFGH987654321

Dear Toyota Owner:

This notice is being sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Toyota has decided that a defect, which relates to motor vehicle safety, exists in 2005 through 2011 Model year Tacoma Access Cab vehicles.

You received this notice because our records, which are based primarily on state registration and title data, indicate that you are the current owner.

**What is the Condition?**

The Seat Belt Assemblies for the driver and front passenger are mounted inside the access (rear) doors of the vehicle. On the assemblies, screws holding the Seat Belt Pre-tensioner to the Seat Belt Retractor can become loose over time and through forceful repeated closing of the access door. If these screws loosen completely, the Seat Belt Pre-tensioner and Retractor Spring Cover could detach, increasing the risk of injury to an occupant in the event of a severe crash.

**What will Toyota do?**

Any authorized Toyota dealer will perform an inspection of the seat belt assembly and replace the four screws at **no charge** to you. If all four screws are found loose during the inspection, the dealer will replace the seatbelt assembly at **no charge** to you.

**What should you do?**

***This is an important Safety Recall***

**Please contact any authorized Toyota dealer to schedule an appointment to have the remedy performed as soon as possible.**

The repair will take approximately 1.5 hours. However, depending on the dealer's work schedule, it may be necessary to make your vehicle available for a longer period of time.

You do not need an owner letter to have this recall completed; however, to assist the dealer in confirming vehicle eligibility, we request that you present this notice at the time of your service appointment.

If you would like to update your vehicle ownership or contact information, you may do so by registering at [www.toyota.com/ownersupdate](http://www.toyota.com/ownersupdate). You will need your full 17-digit Vehicle Identification Number (VIN) to input the new information.

**What if you have other questions?**
