IMPORTANT SAFETY RECALL

Dear Nissan Titan Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Nissan has decided that a defect that relates to motor vehicle safety exists in certain 2013 Model Year Nissan Titan vehicles. Our records indicate that you own or lease the Nissan vehicle identified by the VIN on the inside of this notice.

Reason for Recall

Certain 2013 Model Year Titan vehicles may have been manufactured with an out-of-specification brake master cylinder. If your vehicle is affected, this may cause an intermittent condition that could result in your vehicle taking a longer time to come to a complete stop after you depress the brake pedal, which could increase the risk of a crash. The Brake Warning Light will illuminate as designed to warn you if this occurs.

What Nissan Will Do

Your Nissan dealer will inspect the serial number on your brake master cylinder to determine if it is affected. If confirmed, Nissan will replace the brake master cylinder with a new one at no cost to you for parts or labor. This service should take about 2 hours to complete, but your Nissan dealer may require your vehicle for a longer period of time based upon the workshop schedule, or parts availability.

What You Should Do

Contact your Nissan dealer at your earliest convenience in order to arrange an appointment to have your vehicle inspected and, if necessary, repaired. Please bring this notice with you to your service appointment. Instructions have been sent to your Nissan dealer.

If you notice that the Brake Warning Light in your Titan is illuminated, we strongly urge you to contact your Nissan dealer and bring your vehicle in for inspection as soon as possible. Do not continue driving with the Brake Warning Light on.

If you have additional questions you may contact the National Consumer Affairs Department, Nissan North America, Inc., P.O. Box 685003, Franklin, TN 37068-5003. The toll free number is 1-800-NISSAN1 (1-800-647-7261). You may also submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

Federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

Thank you for your cooperation. We are indeed sorry for any inconvenience this may cause you.

IMPORTANT SAFETY RECALL

Dear Nissan Armada Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Nissan has decided that a defect that relates to motor vehicle safety exists in certain 2013 Model Year Nissan Armada vehicles. Our records indicate that you own or lease the Nissan vehicle identified by the VIN on the inside of this notice.

Reason for Recall

Certain 2013 Model Year Armada vehicles may have been manufactured with an out-of-specification brake master cylinder. If your vehicle is affected, this may cause an intermittent condition that could result in your vehicle taking a longer time to come to a complete stop after you depress the brake pedal, which could increase the risk of a crash. The Brake Warning Light will illuminate as designed to warn you if this occurs.

What Nissan Will Do

Your Nissan dealer will inspect the serial number on your brake master cylinder to determine if it is affected. If confirmed, Nissan will replace the brake master cylinder with a new one at no cost to you for parts or labor. This service should take about 2 hours to complete, but your Nissan dealer may require your vehicle for a longer period of time based upon the workshop schedule, or parts availability.

What You Should Do

Contact your Nissan dealer at your earliest convenience in order to arrange an appointment to have your vehicle inspected and, if necessary, repaired. Please bring this notice with you to your service appointment. Instructions have been sent to your Nissan dealer.

If you notice that the Brake Warning Light in your Armada is illuminated, we strongly urge you to contact your Nissan dealer and bring your vehicle in for inspection as soon as possible. Do not continue driving with the Brake Warning Light on.

If you have additional questions you may contact the National Consumer Affairs Department, Nissan North America, Inc., P.O. Box 685003, Franklin, TN 37068-5003.
