IMPORTANT SAFETY RECALL

NHTSA Recall 13V-445
NHTSA Recall 13V-456

Dear Nissan Pathfinder Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Nissan has decided that a defect which relates to motor vehicle safety exists in certain 2014 Model year Nissan Pathfinder vehicles. Our records indicate that you own or lease the Nissan vehicle identified by the VIN on the inside of this notice.

Reason for Recall

On certain Pathfinder vehicles with almond-colored interiors, the instrument panel front passenger air bag cover may have been manufactured out-of-specification. If a vehicle with an affected instrument panel is involved in a crash where the front passenger air bag is designed to deploy, it is possible that the air bag may not deploy as intended, increasing the risk of injury to the front seat occupant.

In addition, when activated over certain types of rough or uneven surfaces, the Antilock Brake System (ABS) software setting on your Pathfinder could cause the vehicle to take longer than expected to come to a complete stop after the brake pedal is depressed. This may increase the risk of a crash.

What Nissan Will Do

Your Nissan dealer will replace the instrument panel assembly with a new one. In addition, the ABS software will be reprogrammed to help optimize brake output when the ABS is activated on certain types of rough or uneven road conditions. This free service should take 4 hours total to complete, but your Nissan dealer may require your vehicle for a longer period of time based upon their work schedule, or parts availability.

What You Should Do

If you received this notice, we recommended that you do not allow passengers to ride in the front passenger seat until your vehicle is remedied. Please contact your Nissan dealer at your earliest convenience in order to arrange an appointment to have your vehicle repaired. Please bring this notice with you when you keep your service appointment. Instructions have been sent to your Nissan dealer.

If the dealer fails, or is unable to make the necessary repairs free of charge, you may contact the National Consumer Affairs Department, Nissan North America, Inc. P.O. Box 685003, Franklin, TN 37068-5003. The toll free number is 1-800-NISSAN1 (1-800-647-7261). You may also submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

Federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

Thank you for your cooperation. We are indeed sorry for any inconvenience this may cause you.
