IMPORTANT SAFETY RECALL
NHTSA Recall Campaign # 13V-654

Dealership Name
Address
City, State Zip

Dear Starcraft Dealer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Defect Involved

Starcraft has decided that a defect which relates to motor vehicle safety exists in certain 2014 Starcraft Comet Camping Trailers manufactured between August 22, 2013 and December 10, 2013. Incorrect information regarding the tire load range is present on the Federal Labels currently on the camping trailers. This could cause a tire to be placed on the trailer that has too low of a tire load range. This may allow overloading if the trailer is loaded to the GVWR noted and could lead to pre mature wear of tires and subsequent failure, and contribute to personal injury or property damage.

The remedy for the effected vehicles is for Starcraft to reprint and reissue all labels noting the correct tire load range as "D". Enclosed with this notification are the corrected Federal Certification Label and Tire Label that must be placed on the effected camping trailers that are currently in your inventory. Our records show the following 2014 Comet Camping Trailers are currently stock units at your dealership: Serial Number Listing

Dealer Campaign Responsibility

All unsold trailers in your possession that are subject to this campaign must be held and repaired per the service procedure of this recall campaign bulletin **before** owners take possession of these vehicles.

Federal law requires that all units in your inventory be repaired prior to delivery to a customer. If you have sold a unit recently that you have received a stock recall notice on, please contact the owner immediately to advise of the recall. In addition, please register the unit by submitting the Warranty Registration information to Starcraft.

If you have any questions, please contact Starcraft Customer Service at 800-945-4787 for further instructions.

We apologize for any inconvenience this may cause. However, we have taken this action in the interest of our customer's safety and their continued satisfaction with the Starcraft recreational vehicle.

Sincerely,

Starcraft
