

Acura Recall Voice Alert to Customer

NHTSA ID: 13V-093

Date: April 15, 2013

Acura recently mailed to you an important safety recall notice regarding your 2004-08 TSX. This notice explains that your vehicle may experience rust or corrosion on the vehicle's engine electronic control unit due to the use of corrosive materials on winter roads. The notice also outlines what you need to do, including how to obtain the recall repair, free of charge, at any authorized Acura dealer. If you need help finding an Acura dealer, or do not receive the notice within five days, please call 1-800-382-2238, and select option 4. Thank you.
