

December 8, 2014

TO: ALL CHRYSLER GROUP DEALERSHIPS
ATTN: SERVICE MANAGER & PARTS MANAGER

SUBJECT: ORDER MANAGEMENT UPDATE FOR RECALL N45, N46, AND P14

CBXTN451AA and CBXTN461AA

Effective 12/9/2014, Mopar will be allowing Dealers to order **CBXTN461AA** (KJ HITCH KIT) and **CBXTN451AA** (ZJ HITCH KIT). ARO will continue to replenish under the normal process. Due to the high visibility of this recall, Mopar will actively review dealership inventories to maintain a minimum of 2 pallets of unreserved inventory. Timely and accurate inventory within your Dealer's Business System will be crucial to maintaining adequate levels.

Please contact your assigned ARO Dealer Advisor, or email hitch-support@chrysler.com with any questions.

CBXNP143AA

Effective 12/9/2014, **CBXNP143AA** (WD/WK BOOSTER KIT COVER) **will no longer be considered an ARO campaign part**. ARO will no longer look for warranty claims for your replenishment and will instead use demand data and inventory position for order placement. Please review your ARO best stocking levels and adjust accordingly. Ordering will also be opened up to allow for dealers to place orders on their own behalf.

Please contact your assigned ARO Advisor with any questions.
