★ Mini-Posters and Countertop Cards ★ For Your Dealership

Affected Departments: Management, Service, Sales, Warranty, Parts, Accessories

Reference: [GS/GSX/GSX-R No. 228](#)

In an effort to increase repair completion rates for the GSX-R Front Brake Master Cylinder Safety Recall, Suzuki has created a mini-poster and a laminated two-sided countertop card, which we are sending to our Powersports Dealer Network.

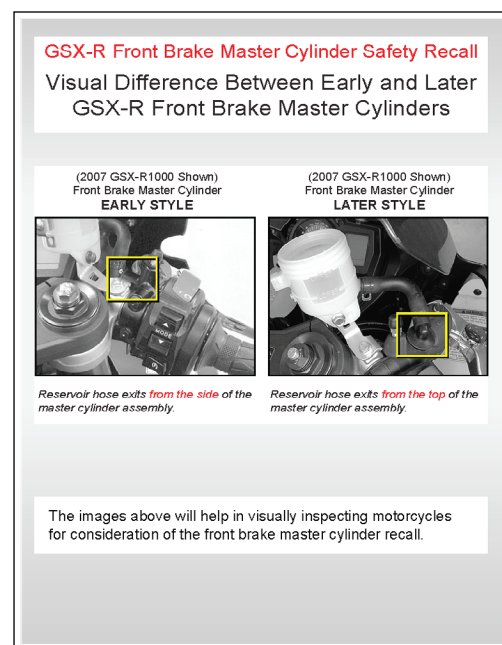

Your dealership will receive four of these mini-posters, which you can post at strategic locations for high customer visibility.

You will also receive two laminated countertop cards, which you'll want to keep handy at your parts and service counters to remind customers with affected units that your dealership can perform this repair for them.

For complete information about the GSX-R Front Brake Master Cylinder Safety Recall and repair instructions, please refer to [GS/GSX/GSX-R No. 228](#).
