Subject: Aftermarket Fuel Pump may give False Fuel Readings

Dear Mr. Greib:

This letter serves to acknowledge Delphi Automotive Systems, LLC 's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

HONDA/ODYSSEY/2005-2010
DELPHI/FG1155-11B1/9999

Mfr's Report Date: July 28, 2014

NHTSA Campaign Number: 14E-049

Components:

FUEL SYSTEM, GASOLINE:DELIVERY:FUEL PUMP

Potential Number of Units Affected: 280

Problem Description:

Delphi Automotive Systems, LLC (Delphi) is recalling certain replacement fuel pump modules, part number FG1155-11B1, sold for use in 2005-2010 Honda Odyssey vehicles. The affected fuel pump may send an incorrect fuel reading to the fuel gauge possibly causing the vehicle to run out of fuel. The fuel gauge will always read 3/4 full to full regardless of the actual level.

Consequence:

A vehicle that runs out of fuel and stalls has an increased risk of a crash.

Remedy:

Delphi has begun notifying dealers and distributors, and will replace the fuel pump modules, free of charge. Owners may contact Delphi customer service at 1-877-411-8770. Delphi's number for this recall is GL14-004.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received Delphi's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at 202-366-1060, or by email at michelle.rice@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

A handwritten signature in black ink, appearing to read "Jennifer Timian". The signature is fluid and cursive, with the first name being more prominent.
