Subject: Moisture In Control Module Plug may cause Movement

Dear Mr. Chard:

This letter serves to acknowledge Altec Industries Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

ALTEC/AH100/2010-2013
ALTEC/AH75/2010-2013
ALTEC/AH85/2010-2013

Mfr's Report Date: December 30, 2013

NHTSA Campaign Number: 14V-001

Components:

EQUIPMENT:ELECTRICAL

Potential Number of Units Affected: 168

Problem Description:

Altec Industries, Inc. (Altec) is recalling certain model year 2010-2013 AH75, AH85, and AH100 vehicles manufactured from April 1, 2010, through November 20, 2013. Moisture may get into the control module plug and result in inadvertant movement of the boom or platform.

Consequence:

The unexpected movement increases the risk of injury to the operator or those nearby.

Remedy:

Altec will notify owners and dealers will replace the control module wiring harness, free of charge. The recall is expected to begin on February 17, 2014. Customers may contact Altec at 1-877-462-5832. Altec's number for this recall is CSN 592.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

On August 20, 2013, NHTSA announced new changes to the requirements governing safety recalls. Some of these requirements are already in effect. Please ensure your company will be in compliance with each requirement on, or before, its respective effective date. For a summary of the requirements and their effective dates please click on the "New!" link at <http://www.safercar.gov/Vehicle+Manufacturers>.

Your contact for this recall will be Kelly Schuler who may be reached by phone at (202) 366-5227, or by email at kelly.schuler@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

Jennifer Timian
Chief, Recall Management Division
